**Thank you for supporting our dance, acro and gymnastics center.** Throughout the years of DDA, we have provided dance lessons at no charge to ADMs, SHS Special needs students and Crosswell Children's Home. We provide them with a recital and trophy at the end of each year. We also share the love of Jesus with every child that walks in our door through teaching the sharing Christian music, prayer, positive role models, in addition, to their weekly lessons. We also provide several other merit based scholarships each year. Several of our students and teachers have traveled abroad as missionaries and used dance to minister to young girls in Thailand, Botswana and Ecuador. Our students have led worship at Alice Drive Baptist Church and several other local churches. If you can purchase an ad, then you will help us continue our good work to be a "light in the darkness!"
